Looks good to me. Adding graffiti removal would be terrific. I'm CCing Sylvan De La Cruz from our office below. Sylvan, please take a look at this list:

Proposed projects include:

- Cleaning and polishing some parts of the Hollywood Walk of Fame
- Decorating Utility boxes: painting some, and installing artistic wraps around other
- A large mural or two at sites TBD
- Planting around LaBrea/Hollywood "4 ladies" median with drought resistant plants
- Planting trees in empty tree wells
- Repainting red curbs
- Weeding and trash pick-up

We will probably need to verify the painting of red curbs with LADOT, but we have plenty of time to make that happen. And as Kerry and others have noted, that will make a huge aesthetic improvement to the area.

Thanks again,

Dan Halden
